Use them as a tool to enhance your self-esteem and productivity and to get rid of procrastination to complete all assigned tasks.

## **On the Path: Affirmations for Adults Recovering from**

Affirmations are simple but powerful statements that we say to ourselves in times of need. Quite literally, an affirmation is a practice of affirming that something is true. As such, affirmations are essentially statements of truth. When said repeatedly, and with sincerity, affirmations help to reprogram and remove the negative unconscious beliefs that we carry about ourselves, others, and the
