Zehr

Relying on the wisdom of early proponents of restorative justice, the daily experiences of educators, and the authors' extensive experience as classroom teachers and researchers, this Little Book guides the growth of restorative justice in education (RJE) into the future. Incorporating activities, stories, and examples throughout the book, three major interconnected and equally important aspects of restorative justice in education are explained and applied: creating just and equitable

In the Little Book of Race and Restorative Justice, the author, Fania E. Davis, takes the position that principles of restorative justice should be in the forefront, and the center, of racial reconciliation in the United States. She believes that it is the only way to heal the nation.

The Little Book of Race and Restorative Justice, Fania E

The Little Book of Restorative Justice this book. Restorative justice has expanded to school and university settings. The movement also needs to reexamine the effects of racial bias (vis a vis The New Jim Crow by Michelle Alexander). Restorative Justice aims to put right harms and wrongs by focusing on harms and needs,
